The tax rolls will be open weekdays beginning Friday, July 15, 2016, to Monday, August 15, 2016, from 8:30 a.m. – 4 p.m.

Visiting with the Assessor's Office at one of the locations above is regarded as an "Informal Appeal." Property owners may bypass this step and file a "Formal Appeal" with the Orleans Parish Board of Review by filing online at www.nolaassessor.com.

To file online at nolaassessor.com, on the Home Page click the E-File link in the left column then click [Appeal of Taxable Valuation](#). This link will be operational from Monday, July 25 - 4 p.m. Thursday, August 18.

"You do not dispute the property assessment because you think your taxes are too high. That is a discussion to take up with the taxing authorities," said Assessor Williams. "You should see me because you think the value placed on your property is inaccurate due to estimations on its size, comparable sales or market values."

To contest an assessment value, individuals are advised to have an assessment letter and any additional documentation to support their claim, such as a recent appraisal, a builder's contract, photos or insurance coverage of the property, said Assessor Williams.

No appointments are necessary; individuals will be assisted on a first-come, first-serve basis at all locations.
